

PLANTS & PLANTING DESIGN

Specialist Expertise

We have a passion for plants, understand their aesthetic potential and love designing, creating and maintaining beautiful sustainable gardens.

Carefully considered planting has the power to transform outdoor spaces. We provide advice on all aspects of planting from planning, design and specimen sourcing, to soil management and garden recovery.

SERVICES:

- ✓ Site appraisal
- ✓ Planting design & planning
- ✓ Plant specification & sourcing
- ✓ Drainage & soil advice
- ✓ Plant failure analysis

“THEIR PLANTSMEN ARE SECOND TO NONE AND HAVE A GREAT EYE FOR DETAIL. THEY ARE ALWAYS A PLEASURE TO DEAL WITH.”

— CHRISTOPHER BRADLEY-HOLE
DIP. ARCH. RIBA, LANDSCAPE DESIGNER

LANDSCAPING & MAINTENANCE

Detail Matters

Over the past 15 years we have had the privilege to work with some of the UK's leading designers and created and maintained some of London's finest gardens.

From the size of brick-wall pointing joints to moving large trees and shrubs a few centimetres, attention to detail matters to us and we do whatever it takes to deliver the aesthetic vision.

SERVICES:

- ✓ Groundworks & soft landscaping
- ✓ Plant installation
- ✓ Mature planting specialists
- ✓ Specialist clipping & pruning
- ✓ Maintenance schedule plans

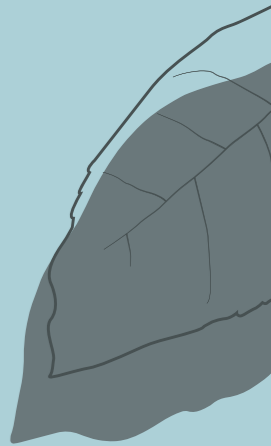

SUSTAINABILITY

Our deep connection to nature means that protecting and respecting the environment is central to the way we live our lives.

From plant selection to our use of sustainable materials and power sources, we are committed to nurturing and preserving the world around us.
